

LIFO 1) Stack queue

```
public static void main(String[] args) {
    Stack st = new Stack();
    st.push(40);
    st.push(1);
    st.push(2);
    st.push(3);
    System.out.println(st.peek());
    st.push(31);
    st.push(18);
    st.Display();
}
```

idx = 1 2 3 4 5
